SHEER LIGHT II LUMINATOR Embelliseur de Teint 30 ml/1floz

^{™®} Lancôme Teint Idole Ultra Wear Nude, £33.50

Most foundations have a white base before colour pigment is added, but this one is clear, allowing the 45 shades to match complexions. The matte, longwear finish feels air-light.

Rimmel Stay Matte Pressed Powder, £3.99

To instantly make pores look smaller and keep shine at bay, try this powder, which stays put for hours. Make-up artist Hannah Martin also used this on Princess Eugenie on her wedding day!

Brushes give your make-up professional polish

Real Techniques 200 Expert Face Brush, £9.99

Whether you use this bestselling foundation brush with liquid or cream, the densely packed bristles create a seamless finish.

Flower Beauty Light Illusion Concealer, £8.99

With light-diffusing pigments that blur wrinkles and hide dark circles and blemishes, this hard-wearing concealer is impressively blendable, too.

Vichy Neovadiol Phytosculpt Neck & Face Contours, £30

Don't neglect your neck! To target sagging skin, apply this to the lower face and neck before moisturiser.

Boots No7 Beautiful Skin Day Cream Normal/Dry SPF15, £14

A moisturiser with UV protection is an essential. This slots easily into your skincare and make-up routine.

Olay Whips Total Effects SPF30, £34.99

This is a fast-absorbing face cream that feels feather-light and delivers intense hydration.

Caudalie Vinoperfect Dark Spot Correcting Glycolic Night Cream, £34

To even out patches of pigmentation, shift blemish scars or add radiance, try this skin-brightening formula.
